## FINAL REPORT ON DESIGN THINKING AND INNOVATION PROGRAM

Department of Computer Science and Engineering, Shreenivasa Engineering College, B.Pallipatti, Dharmapuri organised a one day program on the Design Thinking and Innovation program.

### **Date and Venue:**

- The program took place on 15<sup>th</sup> September 2023 at Shreenivasa Engineering College, B.Pallipatti, and Dharmapuri-635 301.

### **Chief Guest:**

- The speaker of the program was **Dr. V. MURALI BHASKARAN B.E. M.E., PhD., FIE.** from Rajalakshmi Engineering College, Chennai - 602 105

### **Participants:**

- The program was attended by students of Computer Science and Engineering Department, Shreenivasa Engineering College, B.Pallipatti, Dharmapuri. The list of participants is attached with this report.

### **About the Program:**

- The chief guest spoke at length as regards to Ideation and design questioning using small sporting events which made college students curious and stored them engaged.
- He additionally discussed the psychological factors of the crucial questioning. He focused on layout thinking and interacted with the students. The consultation turned into highly attractive and enlightening for the students.

## Benefits in terms of mastering/ability/expertise acquired:

- Offers the opportunity to view a problem from a unique perspective
- Allows delving right into a problem to determine its root reason.
- Encourages innovative wondering and innovative trouble fixing.
- Guarantees that the final result meets objectives and customer necessities.
- This is extra effective and informative for inexperienced persons.
- Permits to usually make bigger “your know-how”.

At the end of the workshop, feedback from students was collected regarding Design Thinking and Innovation Program.

Sub: Requisition to conduct a motivational life skill program- Reg.

Respected Sir,

This letter is regarding the permission for conducting the motivational life skill program in our institution. The programme is to be held on 23<sup>rd</sup> November 2023. **Dr.N.Prabhu**, Head in Department of Physics, Excel Engineering College - Namakkal, is requested to be a Guest speaker. This will be a great chance for the students to know more about the engineering and even be aware of the upgrading technologies. We will also get to know what students think about the technology and what solutions or ideas they have to overcome the problems through this.

This letter requests the life skill program to be held at our college. The life skill program will bring many changes to the students. I would request you to please accept our letter and permit us to conduct this life skill program.

Thanking You
